## The story of the Palestinian Christians

Film screening, followed by discussion with film maker Yasmine Perni and Leila Sansour, distinguished Film Director and CEO of Open Bethlehem

Christianity was born in Palestine two thousand years ago. From there it spread throughout the Middle East and to the rest of the world. Yet many are unaware Christians still live in the land. For more than 60 years the Palestinians, Christians and Muslims, have suffered displacement, expulsion, wars, occupation and oppression. The voices of Palestinian Christians, in particular, have all too often been drowned out in the turmoil of events.

This film by Yasmine Perni is their story, in their voices, from the Nakba (The Catastrophe) of 1948 until today. The film lasts 55 minutes. More information at: [www.thestonescryoutmovie.com](http://www.thestonescryoutmovie.com)
